## Heart of the City 5K

The **5th Annual Heart of the City 5K** is a fundraiser and fun opportunity to walk/run with your friends and family (and dog!) through beautiful (and car-less!) DTLA. Support the California Hospital Medical Center, who is positively affecting the quality of life in Los Angeles. And it's not too late to join the other 70+ companies in the Corporate Cup Challenge or to make this event a part of your company's Wellness Program. To learn how, please contact Annie Nuttall at [annie.nuttall@dignityhealth.org](mailto:annie.nuttall@dignityhealth.org).
